Dear Mr Burges

NATIONAL TYPE APPROVAL - PIAGGIO VESPACAR

1. Thank you for your letter of 27 January 1982 regarding the above vehicle.
2. The correct entry in the type approval box on the V55 (application for a first licence of a motor vehicle in Great Britain) for a goods vehicle is "N/A - Goods Vehicle". A goods vehicle is a vehicle which does not fall within the definition of a passenger car or dual-purpose vehicle given at page 7 of the attached leaflet PI1.
3. The form V55/3 is a guarantee that the vehicle is new and is issued by the accredited agent of the manufacturer in Great Britain. The correct form to use when licensing an imported vehicle is a V55/5.
4. If I can be of any further assistance on matters of NTA do not hesitate to contact me.

Yours sincerely

I LONG
